Investments for your FUTURE!

„European Support for the Improvement of Administrative and Management Performances of ICMET Craiova”

Craiova, 15.06.2010

Research, Development and Testing National Institute for Electrical Engineering - ICMET Craiova, with registered office in Bd. Decebal, nr. 118A, Craiova city, Dolj county develops, starting from 2 June 2010, the project „Improvement of Administrative and Management Performances of ICMET Craiova”, – co-financed by the **European Regional Development Fund**, on the basis of the financing contract concluded with the **National Authority for Scientific Research**.

The total value of the project is 466,318 lei.

The non-reimbursable financial assistance is 399.020 lei, from which 331,186.60 lei comes from the European Regional Development Fund, and 67,833.40 lei is the contribution of Romanian Government.

The project is implemented in Craiova city, for six month duration.

The main objectives of the project are:

- improvement of the institutional and project capacity;
- improvement of the capacity of attracting the European and national funds for the development of the research activity;
- promotion of the image of ICMET Craiova, as research institute
- achievement of personalized plans for promoting the products and services offered by ICMET Craiova with a view to rendering them valuable in the real economy.
