 Research and Innovation**

Ministry of Economy

OptoTech 2009

First National Symposium

Application of Optoelectronic Measuring and Monitoring Methods in Romanian Power Grid

6 – 8 May 2009, Cheia, România

Second Call

Dear participants,

OptoTech 2009 Symposium is a scientific event organized by **ICMET Craiova** in cooperation with **Ministry of Education, Research and Innovation, Ministry of Economy, TRANSELECTRICA, CNR-CIGRE - CS D1, Teletrans, CER, ACER, UPB, ISPE**, open to the representatives of academic and industrial research from the country and abroad, small and medium enterprise, electric power transmission and distribution companies, professional association, ministries and state institutions, for a constructive exchange of information and expertise.

The symposium is focused on identifying the conditions for large scale implementation and use of this technology and defining the subjects of technical cooperation and research- development in the next period.

Symposium Chairman

Andrei MARINESCU – ICMET Craiova

Steering Committee
