

14th International Conference on Applied
and Theoretical Electricity

ICATE 2018

October 4-6, 2018, Craiova, Romania

*Advancing Technology
for Humanity*

Certificate of attendance

On behalf of ICATE 2018, we are grateful to

Dumitru Sacerdoțianu, Marcel Nicola, Claudiu-Ionel Nicola, Florica Lăzărescu

for presenting the paper

**Research on the Continuous Monitoring of the Sag of Overhead Electricity Transmission
Cables Based on the Measurement of their Slope**

as remarkable contribution to the improvement of achievements in the field of applied and
theoretical electricity.

Conference Chair,

Maria BROJBOIU, Professor
